QUALITY IS
OUR
PROMISE

I NEVER THOUGHT THAT THE COOKER HOOD CAN CHANGE THE WAY OF LIVING.

Our products are designed based on German technology with their high quality material by using SCHOTT glass as to meet global standards and regulations for tempered flat glass panels.

OBRO products has met the specified safety standards requirement by the Singapore Safety Authority by Ministry of Trade and Industry (MTI) under the Consumer Protection (Safety Requirements) Regulations 2002. This is to ensure compliance and conformity of our products prior to be sold in Singapore.

PEACE OF MIND !

OBRO is providing 5 YEARS WARRANTY for the machine motor as well as the hydraulic pump and 2 YEARS WARRANTY to the rest of ALL balance parts that give our customer the quality assurance on our products.

QUALITY IS OUR PROMISE
